## **Orange Barrels...**

If you do any traveling this summer, one thing's for sure, you will encounter orange traffic barrels as you come upon road construction. As someone has commented, "we have two seasons....winter and orange traffic barrels..." Having just returned from a road trip out West, I can testify to the truth of that statement, for seldom did it seem we were out of sight of the guardians of the road work sites.

In any business, and it is no less true for a ministry like Thy Word Network, a key factor for management is to pay close attention to the indicators, the "orange barrels" along the business highway. Last month, we shared about our significant financial needs and challenges, and you responded with a significant increase in giving. God is good, and we are thankful for your response and for your willingness to give to His ministry here at Thy Word Network, and the result is that we have seen a definite decrease in the financial "orange barrels."

Just as the highway workers put them out for our safety and protection, God gives us warnings and directions as He leads us along. Proverbs 3:5-6 reminds us to:

- a) Trust in the Lord with all your heart
- b) Lean not to our own understanding
- c) In all our ways acknowledge Him

The result: He will make our paths straight!

So, a very big thank-you to all who gave so generously in these difficult financial times. Please know that you are a blessing to us, and a testimony of God's Grace as He safely leads us along the path He has set for us. Most of all, it is a joy to travel with you by our side!

Pleasant travels,

After a 2 week rain delay, we finally made it to the Country Oaks golf course on Monday, June 25. We still had some rain at the beginning, but finished with a sunny afternoon. We started with lunch and an inspirational testimony from Gerry Kinney of Fairfield, IL. Working as a utility lineman, he survived a 7200 volt surge across his body. He now has bionic hands, and a great testimony of God's grace that he gladly shares. Congratulations to the Patriot Chevrolet team, our winners this year, and all who played a great game of golf on our 13th annual Golf Outing! Also a big "thanks" to all our sponsors.
