## **A Time is Coming...**

The Apostle Paul, writing to his “son in the faith,” challenged young Timothy with these words:

*A time is coming when people will no longer listen to sound and wholesome teaching. They will follow their own desires and will look for teachers who will tell them whatever their itching ears want to hear. They will reject the truth and chase after myths. 1 Timothy 4:3-4*

In my opinion, that day has arrived.

If, for some reason, you were accidentally to take some type of poison, one of the emergency measures done to counteract its effects would be to administer an antidote. Maybe charcoal or some drug would be given to reverse the impact on the body, and hopefully, the residual effects would be minimized. When you think about it, that’s why Thy Word Network exists....to counteract the poison of the world, the flesh, and the devil!

Look at Paul’s warning, broken down to three areas:

1. Lack of sound teaching.
2. Self-serving, self-fulfilling, so-called “ministry.”
3. Rejection of truth and an embracing of false religion.

Sadly, this is going on both without and within the Church. **That is why Thy Word Network is so passionate about filling our broadcast day with both music and ministry that is focused on His Word.** Often, not what we want, but definitely what we need. It may not be as positive or encouraging as we would like, but as we “speak the truth in love” (Eph. 4:15), we will provide the necessary antidote to a world gone mad in their rejection of Truth. But we cannot do it alone, and now is the time for you to join us as we partner together in this ministry.

This month we move our clocks back with the time change. **Let it be a reminder that time is fleeting, that we must be about the King’s business, for only those things that have eternal value are worth pursuing.** Thanks for your faithful support and prayers as we co-labor for Him.

Thank you **Evangelism Explosion** for coming to Evansville! Nearly 100 people invested their Saturday in someone's eternity! We finished up our Evansville Equip America day with a time of testimony and sharing. After a morning of teaching and training, everyone headed out to our "divine appointment." God showed up!

We made 140 contacts, 75 of them allowed us to share the gospel, and 31 made decisions for Christ or renewed their commitment to Him.

Thank you Family Bible Church and Pastor Kerr for hosting the event!
