***“And you shall know  
the truth, and the  
truth shall make you  
free”. John 8:32***

Have you ever heard the old saying that March weather, while unpredictable, often follows the pattern of “in like a lion, out like a lamb”? It seems to me that our weather is anything but predictable, and rather follows a random cycle of irrational unpredictability. In other words, “who knows” what will happen...

The unpredictable nature of life is the same way. When all is well, circumstances have a way of changing rapidly. We are praying for two of our best radio broadcasters, Anne Graham Lotz and Joni Eareckson Tada, as both are battling cancer. You too may be facing unexpected challenges in your life...health, financial, emotional...they are part of our human existence, and are common to us all. But in the midst of the random uncertainty of life, there is a rock, a firm foundation, a Truth that we can cling to.....an unchanging God.

The Psalmist put it this way:

*The LORD is my rock and my fortress and my deliverer, my God, my rock, in whom I take refuge, my shield, and the horn of my salvation, my stronghold. **Psalm 18:2 ESV***

The hymn-writer then paraphrased it with these words:

*The Lord's our Rock; in Him we hide,  
A Shelter in the time of storm;  
Secure whatever ill betide,  
A Shelter in the time of storm.*

No matter what challenges we may face, we can cling to an unchanging, never failing, always loving God. If we rest in Him, regardless of our circumstances, we will find a “peace that passes all understanding” and it will rule our hearts and minds (read Philipians 4:7). Best of all, we will be able to “weather” the storms of life, enjoy the times of resting and peace, and through it all, learn to trust Him more.

May your March be filled with His Joy,

Blessings,

## **Work continues on WBGW-AM**

This bird's-eye view, shot from the Google-Earth satellite, shows the ground radial system work we did a little over a year ago. We continue to clean up issues, repair problems, and shortly, replace the tower lighting system. A work-in-progress, we covet your prayers that we will be able to finish up before our FCC exemption expires in June. If you would like to help underwrite these expensive repairs, joining others who have already given, please mark your donation for "WBGW-AM Repairs."

We hear from listeners on a regular basis, and are excited to see God use the Christian News-Talk/ Bible teaching format to change lives...it's why We Broadcast God's Word!
