A Word Fitly Spoken

May 2019

2019

*Our Theme is
True to the Word.*

*“And you shall know the truth,
and the truth shall make
you free”. John 8:32*

Growing up, I often heard “be sure your brain is in gear before putting your mouth in motion!” For some reason, I’ve never had a problem finding something to say, and unfortunately, that’s not always good. I often tell people that working in radio, I now get paid for doing what I used to get in trouble for...talking. My poor mother made many trips to my 1st grade classroom because her son wouldn’t keep quiet (sorry, Mom.)

In Proverbs 25:11 we read:

A word fitly spoken is like apples of gold in settings of silver.

Notice that actions determine outcomes, and as Christians, we must be aware that what we say (and do) is communicating something to those watching and listening; only when our heart is right will our words and actions correctly represent our Lord; or as we say in the technical world, GIGO---garbage in, garbage out.

That’s why we are so committed at Thy Word Network to broadcasting the Truth of God’s Word. It’s not enough to just encourage and entertain, but we have a mission, to “see lives changed by the application of God’s Word through music and ministry.” If actions determine outcomes, and they do, what we absorb through our ears and eyes goes into our heart, and as Jesus cautions in Matthew 12:34,

“Out of the abundance of the heart the mouth speaks.”

For me, I am finding that too much focus on the news of the day, the people that are making it and the evil of the world, the flesh and the devil has a direct effect on my heart attitude. Conversely, the more time I spend listening to the Word, filling my heart with His Truth...or, spiritually speaking, putting my brain in gear, the more likely I am to “speak the Truth in love” (Eph 4:15).

We want to be your faithful companion on this journey of life. Thanks for listening, and for giving so that others may listen as together, We Broadcast God’s Word.
