## 20/20 Vision

As we begin this New Year of 2020, we are determined to sharpen our focus on the mission God has given us here at Thy Word Network. Here's the way the Psalmist put it, thousands of years ago in our theme verse for this New Year:

**Open my eyes that I may see wondrous things from Your law (Psalm 119:18).**

We notice several important truths in this short passage.

- First, Truth is found only in God's Word, the foundation of all that we do here, as we broadcast His Word through music and ministry.
- Second, that Truth is revealed only as God, the Holy Spirit enlightens us. Our eyes are opened by His power, otherwise that Truth is beyond our understanding.
- Third, it is His Truth, not ours. In a day when people speak of "my truth" and "your truth" and the relative equivalent value, we say "NO TRUTH BUT GOD'S TRUTH."
- Fourth, as we immerse our hearts and minds in that true Truth, we find that we have an amazing God, a wondrous God, and knowing Him through His Word is a most wonderful thing.

So as we begin this New Year, we invite you to experience the wonder of immersing ourselves in His Word together. As you listen to the teaching, enjoy the music and other many ways we communicate God's Word, it is our prayer that your sense of wonder at His Word will grow each day. Most of all, know that your partnership with us is essential in seeing lives changed for eternity... as together,

We Broadcast God's Word.
