***Behold, now is the
acceptable time; behold,
now is the day of salvation.***

2 Corinthians 6:2

Where are we?...how much longer until we get there?

These are familiar words to all who have traveled the highways and by-ways with family. I laughed the other day when someone shared they kept travel time by the number of Odyssey programs they could listen to....but it does remind us of those two very important questions...and not just for this world.

We recently traveled to another state for the funeral of one of my brothers-in-law, and on the way home, I missed a turn as we were traveling the back roads, avoiding Interstate traffic. I seldom rely on GPS to guide me as I travel, but it is helpful to see where you are on a map when things get confusing. As we got back on track, I couldn't help but think of my brother's testimony as his life wound down at the end. He knew where he was, and he knew where he was going...and he was about to find out when he would get there.....home safe in the arms of the Savior.

It's easy to get confused by all the commotion of the world in which we live. We are distracted and easily diverted from those two important spiritual questions: Where are you? Where are you going?

There are no more important questions to ask ourselves, and thankfully, God's Word gives us the answers we need....and just like the GPS...helps us get on track, spiritu-

ally speaking. D.L. Moody once said that heaven is a prepared place for a prepared people, so don't delay.....only God knows when we "get there"....and we can be sure that "there" is eternity with Him.

If we can help you with these eternally important questions, don't hesitate to contact us. If you already know the answers, please pray that each day as we broadcast God's Word on our radio outlets and on the internet others will listen and respond as the Gospel is given through music and ministry. It's why we are here.
