June 2022

From the desk of

Floyd E. Turner

The darker the night...

We've all heard the saying. In fact, we all have experienced circumstances where not just one thing, but two...or three...or many seem to be pressing in on us, robbing us of our joy and making us generally miserable. In fact, the only visible light at the end of the tunnel...is another train!

In Romans 1, the Apostle Paul gives us a detailed picture of the sin-darkened world in which he lived. It was "filled with unrighteousness." Over in Philippians 2, he challenged them to "live clean, innocent lives as children of God, shining like bright lights in a world full of crooked and perverse people" (NMB). Clearly, we are in the midst of a similar day, where the "God of this world" has blinded the eyes of men and women so that they are unable to see the light of the "glorious Gospel." So there we have our challenge for the day in which we live.

Since 1990, when we first began broadcasting, our goal has been to transmit the bright light of the Gospel over the air-waves as we share both music and ministry. You have been able to have your day brightened by the Good News message of God's Word as you receive those broadcasts. Hopefully, that light has helped you navigate the darkness...the darker the night, the brighter the light.

But today, let me challenge you to not just absorb the light, but to follow Paul's admonition in Philippians to "shine like bright lights." We need to be purposeful reflectors so that as God shines His light toward us, we look for opportunities to share with others. There is no greater joy than that, as we "hold forth the Word of Life" (Phil. 2:16). It will make an eternal difference!

Teach us to number our days, that we may gain a heart of wisdom.

Psalms 90:12

As we begin a New Year, we are going make this our key verse at Thy Word Network. Recognizing that each day is a precious gift, we purpose to use it wisely for His glory!

RADIO BOOT CAMP

This summer we will be offering a Radio Boot Camp for middle school age students and for those in high school. July 11-15, from 1-4:30 pm, our middle school camp will take place and July 18-22 is the week for high school camp.

Floyd Turner and Donna Leland will be lead teachers for both weeks highlighting all aspects of radio. The main goal is to give young people a desire to use their gifts and abilities (and yes, available technology) to reach others for Jesus Christ. Students will be able to write, record, and edit spots for broadcast quality.

Visit our website to register (www.thyword.org) and be sure to hurry as space is limited. A small fee is required to cover cost of materials and snacks.
