## God is in control...

I recently read a challenging quote:

*God is in control, but He doesn't expect you to lean on a shovel and pray for a hole...*

Simple, yet profound. A reminder that as we face the daily challenges of life, we have our part...and God has His. We put on our spiritual armor, fight those daily battles (which God has already won), and rest in His strength and not our own. In the recent song *You've Already Won* by Shane and Shane we're reminded

*I'm fighting a battle  
That you've already won  
No matter what comes my way  
I will overcome  
I don't know what You're doing  
But I know what You've done  
I'm fighting a battle that  
You've already won*

We have been engaged in spiritual hand-to-hand combat recently here at Thy Word Network. We've had lightning damage to tower lights, transmitters and other electronic gear. We've had critical computer systems go on "vacation," vandalism at the 88.7 tower site....and on it goes. But we're not leaning on the shovel, as it were; we're doing our part and trusting God to do His.

You have a part to play in this as well, for we depend upon your prayer support on our behalf to give us spiritual support, and, of course your financial help is critical as well. We've had thousands of dollars of unplanned expenses (replacing the tower light system at WBGW alone will cost over \$12,000), yet, by His grace and power and provision we will overcome.

We are so thankful for all you do. It is so encouraging to know you are there and we are not fighting alone.

Here are a few pictures from our time at National Religious Broadcasters last week. We heard our 45th President of the United States as he again pledged to uphold religious freedoms to broadcast the Good News of Jesus Christ if re-elected.

We heard from representatives and attorneys as they gave reports about the recent rulings from the FCC and how these rulings will affect religious broadcasters.

It was wonderful to renew friendships and to hear reports from ministries about how God is reaching others around the world with the Gospel.

And, we got to celebrate with Focus on the Family and the Adventures in Odyssey team as they broadcast their 1000th episode! "Hi, I'm Chris!" greeted us as we walked in the room. Dave Arnold spoke to us about the cast and the wonderful adventures he has had over the past 37 years!

## Listener Letters

**Owensboro, KY** —We love the Sunday morning praise on the way to church on Sunday, the preaching of Alistair Begg and John MacArthur and programs like Focus on the Family....We appreciate your commitment to God's Word!

**Evansville, IN** —I love Thy Word Network for many reasons. The best is that you play good music that I don't hear on other stations. Always original.

**Tennysen, IN** —Thy Word Network is like a close friend. You have been there with me for so many years that it is hard to remember when you were not there. Throughout my marriage, a variety of jobs, additional schooling and working on personal projects both big and small. Thy Word has been right there with me, keeping me informed, enlightened and entertained. Thanks for always being there reminding me that God's Word is a lamp unto my feet and a light unto my path.
