Shining the Light

November 2024

*“God is light,
in Him there is
no darkness at all.”*

John 1:5

Our recent Sharathon theme was “Be the Light” and encouraged us to reflect the Light of the Gospel brightly into this sin-darkened world.

Interestingly enough, we recently had a spectacular parallel illustration that took place when the Aurora Borealis, or “Northern Lights” were seen far south of their normal range. Usually, only residents of the Northern tier of States and Canada can view the unusual light display in the night sky, but this time were seen as far South as North Carolina, as seen in this photo. Spectacular light displays lit up the night sky across America for millions of viewers!

As I read the article from NOAA, one thing I noticed was that “a severe geomagnetic storm alert was issued after an outburst from the sun was detected”, and while “the Earth’s magnetic field shields us from much of it,...particles can travel down the magnetic field lines along the north and south poles and into Earth’s atmosphere, causing the gasses in our atmosphere to illuminate.” What we were seeing was the result of energy released by the sun interacting with our world.... just as our witness in this world should be a reflection of Jesus Christ, the Light of the World and have visible effect on it.

As we wrapped up the Sharathon, **Faith Promises continued to come in, and I’m happy to report that we now stand at a current total of \$427,173.** God is good, and He definitely showered us with a “storm” of His glory as over 650 of you joined in the Sharathon! Because of you, we will continue to “Shine the Light” and “Share the Light” in the coming year. Just as the Northern Lights are but a conduit for the energy that originates in the sun, shaping and presenting it in a spectacular way, it is our prayer that you will reflect the Light of the Son in the coming year as you are able to “Be the Light” to the fallen world in which we live.

Introducing...

Our newest team member here at Thy Word Network is Josiah Newmaster, who joined us full time at the end of the summer. His primary responsibilities are working with our listeners alongside Rick Barton who has been with us for almost twenty years. With almost 100 counties in our coverage area now, it's a lot of territory to cover as we meet with and encourage our listeners.

Josiah comes with a broad background of skills and abilities and we're excited to have him as part of our ministry team, and he will be working in a number of different areas as we weave him into our ministry in the days ahead.
