No "I" in Team...

April 2025

We have just lived through another mad week of March Madness basketball. It is always interesting to see a team from a smaller school rise up and compete with the major Universities, sometimes even besting them and winning it all! I listened with interest to one coach who replied when asked how his team managed to play so well in such a competitive environment...he replied that his players were always looking out for each other and not for their own glory, they played as a team, and there is **no "I" in team.**

I couldn't help think of our team here at Thy Word Network. Not just our staff and employees, but each of you, our radio partners, our family of listeners. Each day your prayers empower us to keep these 8 stations going strong and your gifts keep us on the air. Your

sharing with others about some blessing God has given you as you listened to a song or a sermon helps others to join the family. Everything you do is just as important as what we do in the studios, behind the scenes in the transmitter buildings or at the keyboard programming a computer. We are, all of us, serving one another in love:

For you were called to be free, brothers; only don't use this freedom as an opportunity for the flesh, but *serve one another through love.* Gal 5:13 ESV

We are encouraged daily as we read the notes that you send with you gifts, or as this listener posted on-line to WBGW-AM: [Love this radio station.](#) Your comments help us to push through the hard days when computers are crashing, transmitters are acting up and nothing is working right. Knowing you are there, part of the team, helps us keep on, keeping on.

So thank you. Keep up the good work!
