A Missing Piece

I don't know if you have ever worked one of those really big jigsaw puzzles (some are 10,000 pieces, and I heard that COSTCO has a 60,000 piece puzzle for sale), but nothing could be worse than putting hours and hours of time in assembling the puzzle only to find that there's a piece missing!

As a listener supported ministry, the pieces of our "puzzle" are each and every one of you who listens, prays for and gives financially to keep us broadcasting God's Word. You

come in all different sizes and shapes; different family heritage; different economic and social background; different spiritual and church histories; different ages and generations...but each of you, that is each piece of our radio family "puzzle" is equally essential to our operation. That's why when you are missing, we notice your absence.

It doesn't matter if you give regularly, or only once a year. It doesn't matter if your gift is large or small. It doesn't matter if you add a prayer request to your donation or simply write your request on a scrap of paper and send it in. Everybody counts. Your piece is just as important as any other, because **TOGETHER** we broadcast God's Word.

...then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind.

Philippians 2:2 - New Living Translation

Maybe it's been a while since you wrote us to tell us how God is using the broadcasts or to send a gift to help with our expenses...maybe today is the day to add your piece to the puzzle...and to all of you who have faithfully placed your piece...Thank You! **TOGETHER**, we broadcast God's Word.
