**One day at a time...**

**June 2025**

That old song came to mind as I reflected on our upcoming anniversary here at Thy Word Network. They come one at a time, but soon we will celebrate our 35th anniversary of our first official broadcast day, July 20, 1990; that amounts to more almost 13,000 days of continuous broadcasting God's Word...one day at a time. It also reflects on the thousands of listeners who have joined in partnership with us to make it happen, who have given generously to meet our financial needs, and even more importantly, have prayed with us and for

us...one day at a time. Many of you have been with us from the very beginning, and others have joined in along the way, and we are thankful for all of you. Perhaps you listen every day, but have never stepped up to be an active part of our radio family...today would be a great time to do that!

We are looking at a busy schedule this summer, with our annual Golf Outing on June the 9th, Radio Boot Camp in July, and before you know it, we will be looking at our annual Sharathon in September. While every day is a chal-

lenge to keep all 8 radio stations running, the constant storms, power outages, and internet interruptions lately have kept us busy. But taking it one day at a time, we have been blessed with very little downtime overall, and thankfully, God's Word goes out each and every day, and Lord willing, will continue to do so for many more years.

Most of all, we are thankful for each of you, for your gifts, your prayers, and your partnership as together, **We Broadcast God's Word.**
