Counting our blessings...

Numbers are everywhere when you operate a radio station. From transmitter readings to network statistics to mail lists to....on and on it goes. While the number one priority here is broadcasting God's Word and serving Him, there's another very important number: YOU!

Whether you were one of the 675 who joined in our recent Sharathon, one of our "silent partners", or just a faithful listener, we want you to know that when we are counting our blessings during this Thanksgiving season, you are high on that list. We are thankful for the 92 who signed up as Daysponsors, as well as the 104 members of our 365 club. Many of you (147) signed up as Monthly givers

and 548 chose to make a One-Time gift or Faith Promise during Sharathon or in the days following. **In fact, we are now up to \$394,897, just a few thousand short of our \$400,000 goal-Praise God!**

As we approach the end of 2025, many are thinking of a year-end gift. While we had the best September financially-speaking we've ever had, we still need a surge of giving between now and January 1 to bring the numbers up to where we need to be. There are a number of ways you can give that have serious tax-advantages...call us and we can refer you to some one who can answer your questions if you need help.

A key passage for this time of year is found in the Psalms:

Psalms 90:12, "So teach us to number our days, that we may apply our hearts unto wisdom."

As we enter our 36th year of broadcast ministry, we are so thankful that we can count on you for your faithful partnership. These are challenging times, but God is at work...both in us and through us as we co-labor in this radio ministry.

Thanks for all you do!
