A Fork in The Road...

Yogi Berra was not only a famous baseball player, but also well-known for his unique sayings like "It ain't over till it's over" and "No one goes there nowadays, it's too crowded." His home-spun humor included "It's deja vu all over again" as well as probably his most famous quote of all which he reportedly gave to Joe Garagiola when directing him to his house:

"When you come to a fork in the road, take it."

This seemingly paradoxical advice may have simply been because both ways would actually bring the traveler to the desired destination. However, it also reflects the importance of being decisive when faced with important choices and, as a Christian, looking for Godly wisdom and then acting upon it.

Philippians 2:13 seems to keep surfacing lately for me and it has a direct application here. Paul wrote: ***"For it is God which worketh in you both to will and to do of his good pleasure,"*** and his Spirit-inspired words reflect a direct connection between knowledge of God's will and the resulting action. As the old preacher once said after sensing a clear direction from the Lord, "don't just sit there, do something!"

Each day as we operate these 8 radio stations of Thy Word Network, we are not only seeking God's Divine Wisdom and direction, but also His empowerment to act on that knowledge. That is actually true Faith, for a good definition of Biblical faith is "Belief in Action," and we want that to be true for this broadcast ministry as it is for us in our personal lives. As we begin our 36th year of ministry, we are actively looking for ways in which we can have an even greater impact in the lives of our listeners. While we have no intention of leaving what has allowed us to grow into a ministry that reaches into the lives of thousands of people every day, neither do we want to miss out on the opportunity that may be there to reach even more with the Truth of God's Word.

Exciting days are ahead, so please pray with us for Divine direction and empowerment as we seek His will, and even more importantly, as we act upon that direction. We will also pray that you, too, will sense His leading in your own life and take that fork in the road as He brings it your way!

From the rising of the sun, unto the going down of the same, the LORD'S name is to be praised
— Psalm 113:3

Recently, we were able to attend the National Religious Broadcaster's Convention in Nashville, TN. It is an encouraging time to meet with old friends, meet our programmers and hear about new ministries.

We chatted with Rob West of **Faith and Finance**; Andy Napier of **Footsteps**; Ed Cannon of **FEBC** ministries; Nancy DeMoss Wolgemuth, whose husband Robert recently went home to the Lord, of **Revive our Hearts**; and with John Sorenson of **Share Life Today** and David Wollen of **Haven**. Ron Hutchcraft (**A Word With You**) gave a very meaningful devotional. Jay Flowers spoke to us about the future for **Grace to You** to continue broadcasting the messages of Dr. John MacArthur. We heard from Tony Perkins, Bart Blalock, new President of Dr. James Dobson's Family Institute and Anne Graham Lotz (**Angel Ministries**) spoke to a roomful of women about witnessing for Christ. Pastor Philip Miller of Moody Church and Pastor Erwin Lutzer (**Running to Win**) spoke to us about prayer. We visited with Dave Arnold of **Adventures in Odyssey** about their new movie series aimed to reach a new generation of children with Biblical principles. There was a surprise visit from Pete Hegseth, United States Secretary of War, where he encouraged us to continue to broadcast God's Word.

NRB exists to protect the rights of broadcasters to continue to broadcast God's Word. Michael Farris as counsel, has argued several cases at the Supreme Court, and continues to stand for righteousness. There was extensive information about AI and how it will affect our future. Challenges await all who stand for Christ, but God is faithful to help.
